

MHPOA Swimming Pool to OPEN in Early-to-Mid July!

Swimming Pool Project Update

All of the "infrastructure" repairs and upgrades and the work necessary to comply with the Federal Government's new "Virginia Graeme Baker Pool and Spa Safety Act," as well as other required changes, repairs and upgrades will be completed this week, and **we will only be awaiting final inspections & approval by various authorities** (including the Wisconsin State "VGB Pool Construction Inspector"). These should all be completed before July 15.

Check the website for the actual opening date (Or sign up online to receive an email notification.)

Everyone's patience and understanding ARE appreciated.

2009 MHPOA Planning Survey – Brief Results

Below is a brief summary of the results from the recent Member Survey concerning Long Term Planning. These are the totals as a "tally" of per property surveys that circled each numerical "value" (on a scale of 0 to 5) that indicated how members valued each individual option/question.

NOTE: Members can sign up at the www.marinerhills.org website to receive a copy [via email] of the color multi-page Report & Analysis when it is finished this summer.

New Member-Use Amenities/Facilities

Discussions at recent Annual Meetings have indicated a desire by members for more facilities than just the pool:

1 Shelter/Pavilion

5 = High	13
4 = Med-High	9
3 = Medium	8
2 = Med-Low	2
1 = Low	1
0 = No value	19
Total Responses	52

A permanent **meeting-picnic shelter** (open 'pavilion') on the pool property with more picnic benches, fixed BBQ's, etc. (COST NOTE: this would save money long-term by eliminating the annual tent rental).

2 Nature Walk

5 = High	2
4 = Med-High	9
3 = Medium	9
2 = Med-Low	7
1 = Low	4
0 = No value	21
Total Responses	52

A **nature walk** designated path and/or walking trail (maintained on the pool property, which could be used for Hiking, Biking and in winter for Sledding, Cross Country Skiing, Snowshoeing, etc.)

3 Playground

5 = High	2
4 = Med-High	2
3 = Medium	9
2 = Med-Low	3
1 = Low	6
0 = No value	30
Total Responses	52

A **children's playground area** (with commercial/durable versions of typical playground equipment: swings, slide, etc.)

4 Game Courts

5 = High	3
4 = Med-High	7
3 = Medium	7
2 = Med-Low	2
1 = Low	4
0 = No value	29
Total Responses	52

Additional **adult/teen recreation facilities** at the pool property (Basketball court, Tennis court, Shuffleboard, etc).

Swimming Pool Facility Choices

When our current Pool reaches the end of it's useful life (likely within a few years), how would you value the following:

5 Replace Pool

5 = High	12
4 = Med-High	5
3 = Medium	13
2 = Med-Low	7
1 = Low	2
0 = No value	13
Total Responses	52

A nearly identical **replacement pool**.

6 Expanded Pool

5 = High	5
4 = Med-High	4
3 = Medium	9
2 = Med-Low	1
1 = Low	4
0 = No value	29
Total Responses	52

An **expanded swimming pool facility** (with additional features such as a child's wading pool, a hot tub, etc.)

7 3-Season Pool

5 = High	9
4 = Med-High	1
3 = Medium	6
2 = Med-Low	2
1 = Low	4
0 = No value	30
Total Responses	52

A **significantly expanded swimming pool facility** (an enclosed 3 season pool, etc).
